'Muhammad' refers to Muhammad b. al-Husayn, whose father had been appointed superintendent of taxes in Sistan in 186h. He rebelled against Sayf al-Tarabi in 191h, occupying Zaranj and forcing Sayf to retreat to Bust. While Muhammad evidently held Zaranj during this year, his coins all use the provincial mint-name 'Sijistan' which suggests that they were struck at a different location, possibly a travelling mint. A remark of Muhammad's, reported in the *Tarikh-i Sistan*, confirms that the caliph's authority held little weight beyond the provincial capital: 'The people in the city acknowledge the rule of the Caliph; the problem now is fighting the Kharijites.'

Coins naming al-Muntazar were struck by Kutayfat, the son of al-Amir's vizier, who seized power after al-Amir's death in 524h. Kutayfat neatly sidestepped the problem of not being from the Fatimid line by proclaiming the sovereignty of al-Mahdi, the twelfth imam of the Twelver Shi'is, whose coming had been expected for more than 250 years. This meant that Kutayfat could declare the Fatimid dynasty ended, while also allowing him to rule without being answerable to any earthly authority. If Morton & Eden Ltd. sells an item of Property which is later shown to be a "Counterfeit", subject to the terms below Morton & Eden Ltd. will rescind the sale and refund the Buyer the total amount paid by the Buyer to Morton & Eden Ltd. for that Property, up to a maximum of the Purchase Price.

The Guarantee lasts for two (2) years after the date of the relevant auction, is for the benefit of the Buyer only and is non-transferable.

"Counterfeit" means an item of Property that in Morton & Eden Ltd.'s reasonable opinion is an imitation created with the intent to deceive over the authorship, origin, date, age, period, culture or source, where the correct description of such matters is not included in the catalogue description for the Property. Property shall not be considered Counterfeit solely because of any damage and/or restoration and/or modification work (including, but not limited to, traces of mounting, tooling or repatinating). Please note that this Guarantee does not apply if either:-

(i) the catalogue description was in accordance with the generally accepted opinions of scholars and experts at the date of the sale, or the catalogue description indicated that there was a conflict of such opinions; or

(ii) the only method of establishing at the date of the sale that the item was a Counterfeit would have been by means of processes not then generally available or accepted, unreasonably expensive or impractical; or likely to have caused damage to or loss in value to the Property (in Morton & Eden Ltd.'s reasonable opinion); or

(iii) there has been no material loss in value of the Property from its value had it accorded with its catalogue description;

(iv) the sole grounds for claiming that the item is a Counterfeit are based on a difference of opinion between Morton & Eden Ltd and a third-party coin grading service.

To claim under this Guarantee, the Buyer must:-

(i) notify Morton & Eden Ltd. in writing within one (1) month of receiving any information that causes the Buyer to question the authenticity or attribution of the Property, specifying the lot number, date of the auction at which it was purchased and the reasons why it is believed to be Counterfeit; and

(ii) return the Property to Morton & Eden Ltd. in the same condition as at the date of sale and be able to transfer good title in the Property, free from any third party claims arising after the date of the sale.

Morton & Eden Ltd. has discretion to waive any of the above requirements. Morton & Eden Ltd. may require the Buyer to obtain at the Buyer's cost the reports of two independent and recognised experts in the relevant field and acceptable to Morton & Eden Ltd. Morton & Eden Ltd. shall not be bound by any reports produced by the Buyer, and reserves the right to seek additional expert advice at its own expense. In the event Morton & Eden Ltd. decides to rescind the sale under this Guarantee, it may refund to the Buyer the reasonable costs of up to two mutually approved independent expert reports, provided always that the costs of such reports have been approved in advance and in writing by Morton & Eden Ltd.
